Myrtha Pools is a family owned company with over 49 years of experience in the pool industry. Since 1960, Myrtha Pools has developed its technology to be installed in over 70 countries and continues to be the leader of innovative technologies, construction and design. Myrtha Pools is a global distributor with its USA headquarters based in Sarasota, Florida and its European Headquarters in Castiglione, Italy. By designing and manufacturing the majority of its components Myrtha Pools also maintains 360 degrees of coverage in the pool market.

Why and What is Myrtha Pools?

Myrtha is simply the most exclusive and advanced technology in the swimming pool industry. Its patented pre-engineered modular laminated steel panels and buttress system enables Myrtha to obtain perfect waterproofing, efficient installation and low maintenance pools suitable for almost any environment. As a result of Myrtha technology, Myrtha Pools have virtually unlimited life spans creating a pool that eliminates traditional problems of pool construction and maintenance. Myrtha Pools maintains options for all aquatic needs and any budget thus making the choice for a Myrtha Pool simply the best!

Myrtha Technology and its competition accessories were specifically designed to handle the needs of large scale competitive events. Precise and efficient installations are the hallmarks that allow Myrtha to construct a championship venue within unmatched time constraints. Accessories like the overflow gutter guarantees fast swimming and moveable bulkheads and headwalls create a pool that adapts to the unique needs of world class events. Pair that with Myrtha Evolution Technology, a method that provides capabilities to obtain a pool with dimensions and features suitable for high level spectator events, and you have a pool made for a champion. Myrtha Pools is known to be the fastest pool in the world holding 42 world records and has hosted more world class events than any other manufacturer.
